OUR SERVICES

We offer various services to our clients, including:

- Air Freight.
- Sea Freight.
- Brokerage.
- Marine Insurance.
- Project Cargo.

Air Freight:

As a leading airfreight forwarder, we at **ANL** provide customers on-time delivery for their inbound and outbound shipments.

We offer our clients the finest selection of first class airlines with fastest transportation connections.

Our experts understand the sensitivity & time pressures involved in airfreight, therefore we develop comprehensive airfreight service plans tailored to meet our customer's specific requirements

Sea Freight:

ANL Logistics provides comprehensive range of sea freight services for FCL (full container load) and LCL (less than container load) backed by excellent knowledge and experience.

Through our membership in several worldwide networks, relationships with shipping lines, internal professional operating systems and experienced staff we offer you the best sea freight process from any origin to any required destination.

Our company guarantees the quick and safe arrival of your goods at the desired location.

Brokerage

Because of our great experience in this industry, we are at the forefront of door-to-door and customs clearance services.

We have a qualified team of clearance agents who are always on-site to assist with the clearance of imported and exported goods.

Being well connected, we are experienced & familiar with customs procedures and duties, which simplify the shipment's movement through customs barriers.

We also offer international door-to-door shipping service, collecting and delivering goods at agreed points with clients while providing the most reasonable shipping rates in a safe and timely manner.

Marine Insurance

Based on international standards clauses **ANL** offers you the opportunity to fully secure your cargo during transportation.

We are able to offer marine cargo insurance on almost all types of commodities including hazardous consignments.

As the saying goes: "It's better to be safe than sorry".

Project Cargo

We offer Project Cargo Services for heavy industrial equipment, over dimensional tools and break-bulk cargo.

Project cargo services are complex operations requiring security, care and attention so we provide intricate planning, management and execution through the supply chain to minimize all difficulties and we arrange for customized transportation concepts for the entire route on a door to door basis.

Also we are handling special cargo like fresh fruits, vehicles, vegetables, frozen foods and Chemical Products both Hazardous and Non- Hazardous.
